SEMINAR ON ADR

SEMINAR ON THE “ROLE OF PHARMACOVIGILANCE AND ADR REPORTING IN PATIENT SAFETY”

We are thrilled to reflect on the impactful seminar “Role of Pharmacovigilance and Adverse Drug Reaction (ADR) Reporting in Patient Safety”, organized by the Pharmacy Department of RLMC under the esteemed guidance of Prof. Dr. Humayun Riaz, Principal of RLCP. This timely session brought together doctors, nurses, and paramedics to emphasize the critical role of medication safety in healthcare!

Expert Insights

- Dr. Abdul Raheem (RLCP) delved into the fundamentals of pharmacovigilance, stressing its importance in detecting and preventing adverse effects to enhance patient outcomes.
- Ms. Nida Shakir (RLCP) shared practical strategies for effective ADR reporting, empowering healthcare professionals to contribute to safer medication practices.

Key Takeaways

- The urgency of proactive ADR monitoring in reducing healthcare risks.
- Best practices for integrating pharmacovigilance into daily clinical routines.
- Collaborative approaches to strengthen patient safety networks.

A heartfelt thank you to our dynamic speakers, and dedicated attendees, for making this event a success! Special thanks to Medical Director Dr. Babar A. Wattoo for their commitment to enhancing the knowledge and skills of his team. Together, we’re paving the way for a safer healthcare ecosystem.

RASHID LATIF COLLEGE OF PHARMACY (RLCP)

SEMINAR ON "SAFE MEDICATION DISPENSING & ESSENTIAL POLICIES"

Rashid Latif College of Pharmacy (RLCP) successfully conducted an insightful seminar on "Safe Medication Dispensing Essentials, Policies, and Procedures" for doctors, nurses, and paramedics. Under the esteemed supervision of Prof. Dr. Humayun Riaz, Principal of RLCP, the session provided a comprehensive understanding of medication safety protocols and best practices.

Dr. Farha and Dr. Aymun, esteemed faculty members of RLCP, delivered enlightening talks, shedding light on crucial aspects of medication dispensing, regulatory guidelines, and patient safety measures. We were honored to have Dr. Noor ul Ain, Deputy Medical Director of Arif Memorial Teaching Hospital, as our distinguished guest. She appreciated this remarkable initiative by RLCP, highlighting the importance of such educational programs in enhancing safe medication practices in healthcare settings. The seminar concluded with valuable remarks from Prof. Dr. Humayun Riaz, emphasizing the significance of adherence to safe dispensing practices to ensure patient safety.

We extend our gratitude to all participants, speakers, and guests for making this seminar a great success!

RASHID LATIF DEPARTMENT OF PROFESSIONAL PSYCHOLOGY (RLDPP)

SEMINAR ON “BREAKING THE CYCLE OF ONLINE GAMING ADDICTION”

Rashid Latif Department of Professional Psychology hosted a seminar titled “*Breaking the Cycle of Online Gaming Addiction*” on January 13th, 2025. Dr. Nida Zafar, an esteemed Assistant Professor at Lahore Garrison University, was invited as the guest speaker.

Dr. Zafar provided valuable insights into the Psychological and Behavioral aspects of online Gaming Addiction, shedding light on how excessive gaming can impact Mental Health, Social Relationships, and Academic or Professional Performance. She also highlighted key warning signs and strategies for identifying the gaming addiction. The seminar attracted students from various departments, who actively engaged in the discussion, asked thoughtful questions, and gained a deeper understanding of the topic. Prof. Rukhsana Kausar, Pro Vice Chancellor, RLKU presented a souvenir to Dr. Nida Zafar as a token of Appreciation.

The event proved to be an informative and interactive session, fostering awareness about a growing concern in today's digital age.

QUALITY ENHANCEMENT CELL

PERCEPT STANDARDS & GUIDELINES 2023

Program Review for Effectiveness and Enhancement

The first cycle of Program Review for Effectiveness and Enhancement (PREE) with 8x programs, PT members were conducted by the Director QEC & Additional Registrar Mr. Ali Raza Qureshi. The session was all about bringing the program review mechanism, specifically for the first time the modulation and development of Program Mission in line with the University Vision and Mission. Further to this, the members were briefed on the structural format of the PREE to follow, along with its new distribution standards. The members were also detailed with their task and the standard wise completion of the drafts of PREE to get ready for the submission in the upcoming Yearly Progress Review targets of QEC 2024-25. The active participation was seen by the PT members asking questions and its viability for completeness. Mr. Qureshi also briefed them about the expectations and expected outcome indicators to all. The 3-hour session ended with the target submission date and acknowledgement from all PT members.

"FACULTY DEVELOPMENT PROGRAM"

National Business Accreditation Education Council (NBAEC) Workshop

NBAEC Islamabad conducted a workshop on Faculty Development at University of Central Punjab Lahore on January 23-24, 2025. A two-day activity was all about business schools' progression and their way out to be a stand visible in this tough competition. Mr. Ali Raza Qureshi Director QEC & Additional Registrar was specially invited to attend the workshop, representing Rashid Latif Khan University at national forums. These forums not only made you learnt about the innovative and advanced technology of how to be at top having a mushroom growth of schools, but also helps to share and accept the GOOD PRACTICES vis-à-vis. The networking-based workshop highlighted the importance of faculty and research in specific. The way outs and leading examples were shared by the renowned academicians, Prof Dr Naukhez Sarwar, Chairman NBAEC and Principal Business School, NUST Islamabad and Prof Dr Shaukat Barh, Professor of Management for LUMS. Mr. Qureshi shared his point of views to collaborate and excel the common practices while having Professor of Practice as a leading faculty to involve new industry practices and teaching with hands on experience will be an added benefit for the students.

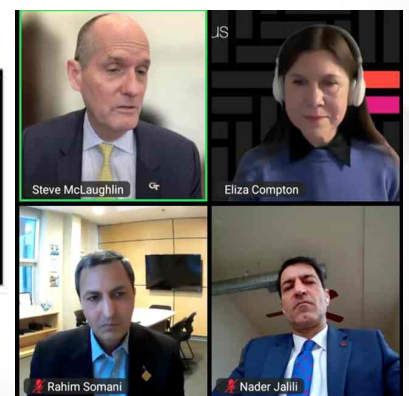

HOW TO BOOST PUBLIC PERCEPTION OF HIGHER EDUCATION

A webinar by Time Higher Education Commission

Times Higher Education (THE) conducted a webinar on "How to boost public perception of Higher Education" in collaboration with Georgia Institute of Technology, the University of Northern British Columbia and SMU Lyle School of Engineering. The panel discusses how universities can improve public understanding of the values and benefits higher education brings to society. The major questions were answered, like why public trust has fallen, how one can rebuild the image, what would be the outreach and communications can do, how a collaborative effort can be a solution? Mr. Ali Raza Qureshi Director QEC & Additional Registrar represents the Rashid Latif Khan University; the main objective to participate is to have a knowledge of the international universities and their stance on the said questions. Mr. Qureshi shared his views by acknowledging the THE and such forums help us to not only learn but also share our good practices with each other to boost confidence. Further he said that the universities must seek more and more community aspects and related problems identification with their solutions, this would be the clicking element to boost the confidence of the HEIs' amongst public. Further the speakers acknowledge that we should remove the cultural barriers to be with the public and build confidence. The session lasts for two hours with huge participation.

PNQAHE Membership

**Rashid Latif Khan
University Joins PNQAHE
to Strengthen Quality
Standards in Higher
Education**

Rashid Latif Khan University (RLKU) has achieved a significant milestone by securing membership in the Pakistan Network for Quality Assurance in Higher Education (PNQAHE), a prestigious national quality agency under the International Network for Quality Assurance Agencies in Higher Education (INQAAHE). This membership underscores the university's commitment to academic excellence and continuous improvement in higher education standards.

Mr. Ali Raza Qureshi, Director of the Quality Enhancement Cell (QEC) and Additional Registrar at RLKU, has been designated as the Focal Person for PNQAHE, playing a key role in ensuring compliance with international best practices in education quality assurance.

Quality Benefits for RLKU

By joining PNQAHE, RLKU gains access to:

- ✔ International Benchmarking: Alignment with global quality standards through INQAAHE frameworks.
- ✔ Enhanced Academic Standards: Implementation of best practices for curriculum development, faculty training, and student assessment.
- ✔ Accreditation and Recognition: Strengthened credibility among national and international educational institutions.
- ✔ Collaborative Opportunities: Engagement with a network of quality assurance experts and universities to foster innovation in teaching and research.
- ✔ Continuous Improvement: Structured evaluation mechanisms to enhance institutional governance, student satisfaction, and research output.

This membership positions Rashid Latif Khan University among the top institutions in Pakistan dedicated to elevating higher education quality. The university remains committed to fostering an environment of academic excellence, ensuring that students receive education that meets international standards.
